

The City of Temple City is seeking a Tree Trimmer to join our Parks & Recreation team. This position involves performing a range of tasks related to the planting, preservation, trimming, and removal of City-owned trees. Responsibilities include operating and maintaining various tree maintenance equipment, attending to trees and shrubs, removing large limbs and trees, performing basic tree surgery, and maintaining related vehicles and machinery.

Qualified candidates should have a combination of training and experience equivalent to a high school diploma and at least one year of recent experience in climbing and trimming trees.

Application, job description and benefits information can be found online at <https://www.templecity.us>.

The deadline to submit applications is Thursday, September 12, 2024.

Salary range: \$4,220 - \$5,338 per month
